JULY 2010: 'TRUE, LASTING FREEDOM' "Then Jesus said to those Jews who believed Him; 'If you abide in My word, you are My disciples indeed And you shall know the truth and the truth shall make you free....Therefore if the Son makes you free, you are free indeed.'" (John 8:31, 32, & 36)

People in every nation believe that what is written down on some parchment or paper will secure lasting liberty and freedom for them. However, history reveals that the heart of people change and governments are altered. Political and economic upheavals can cause people to allow their leaders to enact measures which normally would never be allowed. Think of Germany in the 30's with the events that were taking place which allowed a man like Hitler to gain such a strangle hold on that country, that it's people gave up their liberties and freedom.

Have you ever considered the thought that perhaps one day in America we will have our freedoms drastically restricted, that churches will have to register with the state in order to operate? For decades organizations like the A.C.L.U. and other atheist groups have had ongoing pressure on our leaders to great limit or outright outlaw primarily Christianity from the public scene under the guise of the so-called separation of church and state. Once a nation's people allow their elected officials to knuckle under from the pressure of radical groups or individuals, to enact laws which greatly restrict the lawful expression of views, it is very difficult to stop the momentum of this run-away boulder from crushing the heart of freedom and liberty from the land. Christianity in general will become restricted to the confines of the church buildings and even the proclamation of God's word will be restricted due to its intolerant views.

I see the big problem as one of priority. If our liberties and freedoms are external then they can easily be taken away and we lose them. But, if we believe God's word is true for ages, times and situations, then the liberty and freedom which come from this understanding will never change. "Therefore if the Son makes you free, you are free indeed." (Jn. 8:36) The world did not give this to us, therefore no power of an earthly government, nor the power of Satan, will ever be able to take it away from us.

As A.R.P.'s we believe that the Old and New Testaments to be the only perfect rule for faith and practice. We therefore believe that Jesus is the way, the truth and the life, and there is no other way to the Father but through Jesus. This is the heart and soul of a true and lasting freedom.

I for one choose to stay in the power of God's to experience the everlasting freedom there is in Jesus and not be found wanting when I stand before God's throne. Man's idea of freedom and liberty is so fragile. But the freedom one has in Jesus will bring us through the storms of life.

Consider His word for us, His truth and make your stand upon the Solid Rock.

In His love, Meredith
